

THE ENSTROM HELICOPTER CORPORATION
TWIN COUNTY AIRPORT, P.O. BOX 490, MENOMINEE, MICHIGAN 49858

SERVICE INFORMATION LETTER

SERVICE INFORMATION LETTER NO. 0114

Date: April 28, 1981
Subject: Recommended Optional Safety Equipment
Models: All Models
Effectivity: All Serial Numbers

As a participant in the Aviation Industry, the Enstrom Helicopter Corporation shares in the industry wide commitment to passenger and pilot safety in all realms of flight, as well as to the protection of personnel and equipment in emergency situations.

With this in mind, it is strongly recommended that all Enstrom owners equip their aircraft with shoulder harnesses (CA-4 kit) and a fire extinguisher (CA-6 kit). Both items are offered as optional equipment and are immediately available for retrofit in all aircraft.

Owners of Enstrom helicopters, without the recommended additions, are urged to contact their nearest Enstrom Service Center or Enstrom Customer Service.
