SUBJECT: CANCELLATION OF SERVICE INFORMATION LETTER NO. T-009,
ALLISON ENGINE MODEL 250-C20W

This letter transmits the cancellation of Service Information Letter No. T-009. This letter was issued to notify owner/operators of the FAA's issuance of Airworthiness Directive (AD) 98-24-28. The mandatory compliance date for this AD depended on the part number of the fuel control installed on the engine; however, all of the compliance dates were in 1999.
